New Health Insurance Coverage Options and Your Health Coverage

Beginning in 2014, key parts of the health care law take effect and there will be a new way to buy health insurance in California for eligible participants. To assist you as you evaluate options for you and your family, this notice provides some basic information about a new Marketplace called Covered California, and employment-based health coverage offered by your employer. Employees may review the Covered California Employer Notice and the Fact Sheet for specific information about health plan insurance options.

For more information about Covered California please visit https://www.coveredca.com/, or call (888) 975-1142.
