Courses must be on the CSU GE-B when the course was taken. Courses taken in person or online at other community colleges will be applied to CSU GE-B according to how they were approved at the college and the semester where completed. Courses listed courses in multiple areas may only be used once, except for US History, Constitution, and American Ideals courses. Advanced Placement (AP) exams completed with a score of 3, 4, or 5 may be applied to the CSU GE-B. See “Advanced Placement Examinations” in the catalog for more information. Students majoring in Engineering may be waived/exempted from specific areas of CSU GE-B for some campuses. Students majoring in Liberal Studies may be required to complete a specific course in each area of CSU GE-B. See a COS Counselor for more information.
