

## CSU GENERAL EDUCATION BREADTH REQUIREMENTS

2024 - 2025

The courses listed below fulfill the lower-division general education requirements at all CSU campuses.

Student Name: \_\_\_\_\_ Counselor Name: \_\_\_\_\_ Date: \_\_\_\_\_

### GENERAL INFORMATION

- Transferring to the CSU system consists of reaching junior status by completing 60 transferable units with a minimum 2.0 GPA, including major requirements, general education, and/or electives. A maximum of 70 CSU-transferable units are applied to the bachelor's degree after transfer.
- To be eligible to transfer to a CSU, students must complete Areas A1, A2, A3, and B4 with a grade of C- or higher in each course.
- CSU general education certification requires completion of all requirements in Areas A through F, approximately 39 units.
- A course must be taken during a term approved for CSU GE (see assist.org) and can be used only once to fulfill an Area A-F requirement.
- Students whose majors require more than 30 units are encouraged to meet with an academic counselor regarding the advisability of completing all major requirements instead of all general education requirements.
- Please meet with an academic counselor, visit <http://www.assist.org> or reference a specific CSU catalog for additional information.
- Area F and reduced units in Area D are new requirements for students who began college Fall 2021 and later. Continuing students who began at a CCC or CSU prior to Fall 2021 and maintained catalog rights may complete previous CSU GE requirements. See an academic counselor for details.
- 2024-2025 is the final academic year to establish catalog rights to CSU GE. Students beginning at a CCC, or returning after a break in enrollment, in Fall 2025 or later will be required to follow the upcoming California General Education Transfer Curriculum (Cal-GETC) requirements.
