

Climate Empowerment Learning Initiative (CELI)

7th Grade
Culminating Task
Part 1

Do People Who Look Like Me Engage in Climate Action?

“

We need youth from all walks, because diversity of thinking and skills is what is going to make solutions possible. Any skill that you have can be used to address the climate crisis; whether you are an architect, photographer, educator, scientist, or activist, we could use your skills because we need all the skills to face up to this emergency.

Finding Your Climate Action Niche

We Will Watch Video - Kid Warrior: The Xiuhtezcatl Martinez Story

6 minutes

And ask ourselves:

Where does Xiuhtezcatl's activism come from?

1. What is he good at? (special skills, networks, resources & magic)
 1. Which of his identities are most important to him?
 2. What wisdom from his **community** does he carry with him?
2. What brings him joy?
3. What is the work that needs doing?

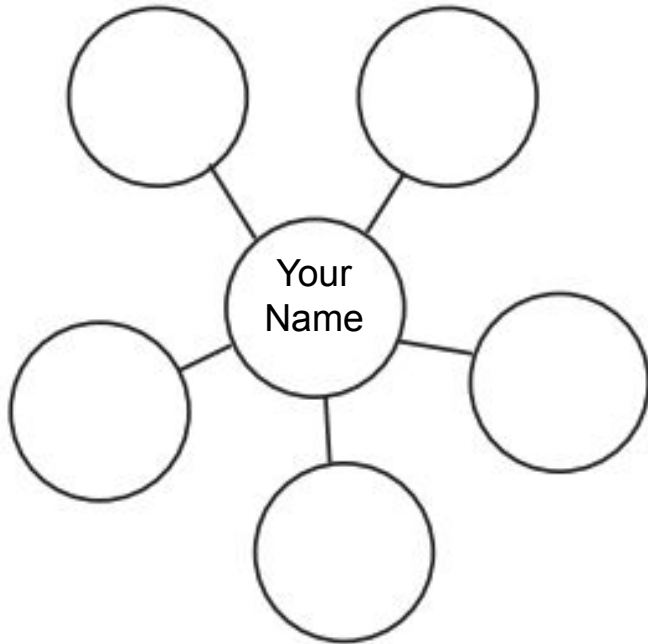

WHAT HE IS DOING

Click [Here](#) for Video Link

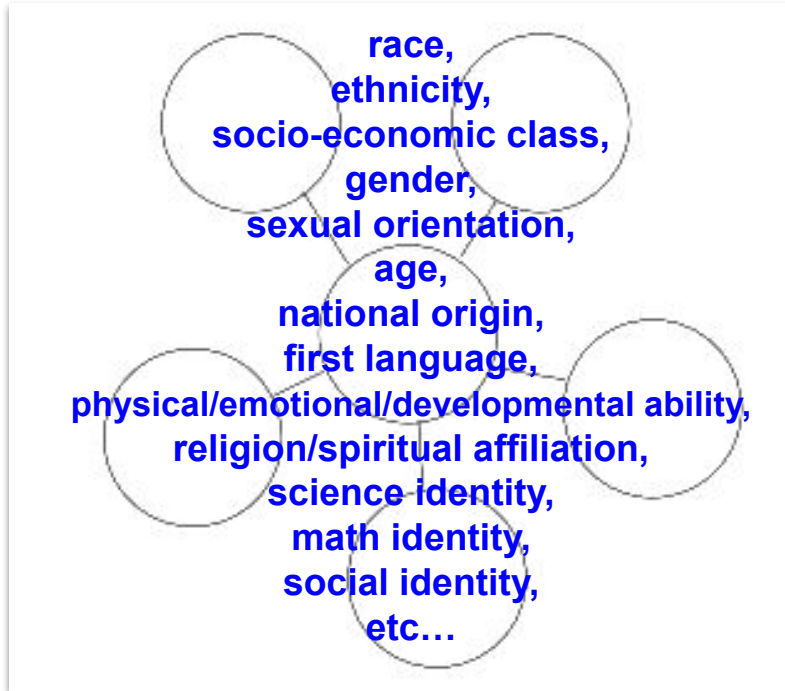

adapted from the **Paseo Protocol**

INSTRUCTIONS

1. Copy the diagram on your left onto a piece of paper
2. Write your name at the center
3. In the outer circles write
 - a. Identities you think about most often
 - b. Identities you think about least often
 - c. Your own identities you'd like to learn more about
 - d. Identities that have the strongest effect on how you see yourself as a person.
4. Note: you can add as many circles as you like

adapted from the **Paseo Protocol**

- Identities you think about most often
- Identities you think about least often
- Your own identities you'd like to learn more about
- Identities that have the strongest effect on how you see yourself as a person.

How do I Find My Climate Niche?
Click [Here](#) for Video Link

Reflections

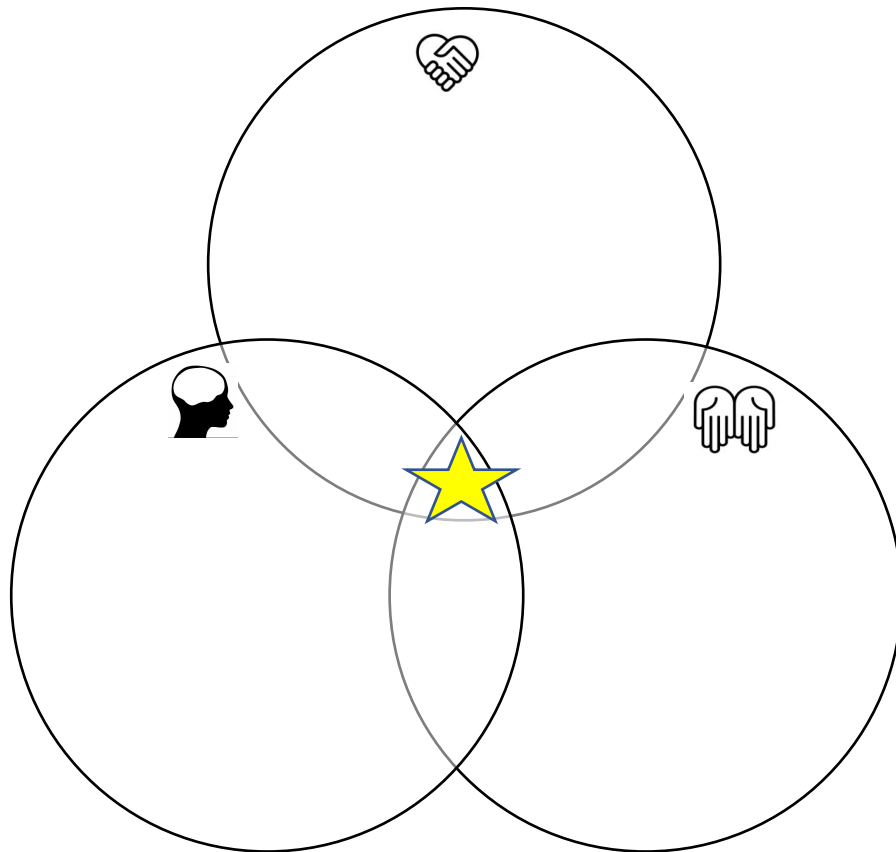

Which of your own **identities** are most important to you?

What wisdom from your **community** do you carry?

What brings you joy?

What are you good at?

What climate work needs doing?

INSTRUCTIONS

1. After completing your Circles of Identity Exercise and Watching [How to Find Joy in Climate Action](#)
2. Write your answers to the three questions in their respective circles.
3. Based on the above, identify your best fit for climate action, and write it below

My Climate Action Niche:

Nalleli Cobo:
2022 Goldman Environmental Prize Winner
