Meeting Minutes

Attendees: Ines, Duke Austin, Shubha, Linda

Absent: John

Guests: None

I. Dean's Report

There is a CIC document that states if you have a new proposal that has gone through GEOC, you can get provisional approval to offer it before it goes live in the catalog. (i.e. can be offered the spring before the fall it is effective.)

There were two new Spanish class proposals (for GE) that faculty wanted to offer in Spanish only. Unfortunately, there was a long debate, so the faculty agreed to hold them as bilingual classes just to get them approved to offer.. Linda advised them to try again next year. *SLHS is interested in offering bilingual classes, Shubha and Linda will talk offline.

II. Chair's Report

This is the last meeting of the fall semester, we thank Duke Austin for stepping in to finish fall when Maria had to step down. We need to look at finding a replacement representative for Social Science.

Shubha recommended we also find a replacement representative for Professional Programs. As SLHS will be moving to the new College of Health next fall.
