SZS is a multidisciplinary team of professionals. Our work is agile and innovative. We work in the accessibility space collaborating with clients that seek to improve their physical environment for people with disabilities.

We are looking for team members who care about accessibility and want to learn more about how to make facilities accessible to people with various disabilities.

Our team collaborates with private design firms and public entities such as cities, counties, universities and state agencies throughout the Northwest.

New hires will have the opportunity to learn specialized skills that they can use in virtually every position they have in hospitality, recreation and tourism.

These are some of the skills this position will provide:

- Understanding basic usability factors
- Use of tape measures and digital levels to record measurements
- Interpreting floor plans
- GPS collection and use of GIS mapping as a reference

The salary is \$20/hr. Medical, dental, 401K and life insurance provided, as well as two weeks of paid flexible leave annually.
